

The 2025 Shenandoah County 4-H/FFA Livestock Sale could not take place without the support of our buyers. Thank you for being there!

There is another group of people who have made this sale happen - the 4-H/FFA parents. These are the people who have filled a variety of roles since their children acquired these project animals some five or more months ago. Our parents may have been loan officers, feed haulers, chauffeurs, sheep shearers, calf ropers, or part of the clean-up for their children's animals. Parents, we appreciate all you've done, too!
